

The Library Department is located in the Technological Institute (TEI) of Thessaloniki campus in Sindos. The distance from the city centre is approximately 17 km. You can reach the department by bus or by car.

There are several bus services from the city centre to the Technological Institute of Thessaloniki, provided by the Organization of Urban Transportation of Thessaloniki. You can take the bus route number 52 from the city's Railway station or the bus route number 53 to Sindos.

In order to come to the TEI of Thessaloniki by car you should take the Thessaloniki-Athens national road and at the 9th km you should turn right taking the road to the Sindos' Industrial Area. The Institute is located to your right approximately 1km after your last turn. In case your direction is from Athens to Thessaloniki, then at the 489th km you should turn right at the Sindos interchange, and the Institute's entrance is within 500 m. to your right.

You can check the Technological Institute's maps or the National road map by clicking the corresponding link to the top of the page
